| HTML | CSS | JavaScript | Tailwind CSS | Bootstrap 5 | MySQL | Git | Laravel PHP | JQuery |
| Postman | PWA | Adobe Illustrator | Figma | | | | | |

EXPERIENCE

Full Stack Web Developer

Myracle Innovation Inc.

- 📅 04/2025 - 11/2025 📍 Quezon City
- Developed and maintained multiple internal SaaS tools from the ground up using native PHP with Object-Oriented Programming (OOP) and MySQL.
 - Wrote clean, maintainable code using PHP (native), MySQL, JavaScript, JQuery, and Bootstrap.
 - Managed version control and collaboration through GitHub, including testing, debugging, and code reviews.
 - Participated in the full development lifecycle, from requirement gathering to deployment.

Web Developer

German IT Solutions Inc

- 📅 11/2023 - 05/2025 📍 Pasay City
- Designed and implemented responsive landing pages and back-office admin dashboards using Laravel, MySQL, and Blade templates, improving user experience and maintainability.
 - Developed modern, responsive landing pages using Laravel and Tailwind CSS.
 - Integrated cloud storage solutions, including fetching images from Firebase.
 - Collaborated with clients to gather requirements and deliver user-friendly web solutions.
 - Implemented clean, maintainable code for optimal website performance and scalability.
 - Performed website updates, debugging, and ensured cross-device compatibility.
 - Integrated Firebase Storage for real-time image uploads and display, eliminating dependency on local server storage and enhancing application scalability.

EDUCATION

Bachelor of Science in Information Technology

Datamex College of Saint Adeline (DCSA)

- 📅 08/2020 - 06/2024 📍 Valenzuela City
